I RURAL DEVELOPMENT AND POVERTY ALLEVIATION

Rural development and poverty alleviation have been the major areas of concern and thrust for the nation since independence. The Community Development Programme consisting of various schemes was launched on 2nd October, 1952 throughout the country with the objective of overall development of rural areas with the active participation of the community. Community Development Blocks were created and considered pivotal for planning and implementation of various rural development schemes.

Up to the year 1999, self-employment schemes such as Integrated Rural Development Programme (IRDP), Training of Rural Youth for Self Employment (TRYSEM), Development of Women and Children in Rural Areas (DWCRA), Supply of Improved Tool Kits in Rural Areas (SITRA), Million Well Scheme (MWS) and Gandhi Kutter Yojana (GKY) were being implemented, but w.e.f. 1.4.1999 these schemes were merged into SGSY. Similarly, JGSY and EAS which were in operation were merged into SGRY w.e.f.1.4.2002.

Several schemes are being implemented for rural development and poverty elevation. 'Swaranjayanti Gram Swarozgar Yojana, (SGSY) was launched during the year 1999-2000. This Yojana laid emphasis on cluster approach instead of individual beneficiary approach, to enable the beneficiaries to start with viable projects in a joint manner, which could yield higher incomes. This approach also laid emphasis on improving the skills of the poor through an in-built training component, up-gradation of technology, providing adequate backward and forward linkages, availability of adequate infrastructure and better marketing arrangements. This scheme has been merged into NRLM w.e.f. 01-4-2013.

The Parliament has enacted the Mahatma Gandhi National Rural Employment Guarantee Act, 2005 in September, 2005. Under the Act, the livelihood security of the households in rural area has been ensured by providing one hundred days of guaranteed employment in every financial year to every household whose adult members volunteer to do unskilled manual work. The Act came into force w.e.f. 2nd February, 2006 in the districts notified by the Government of India. Chamba and Sirmour districts were initially covered in the State. Another two districts namely Kangra and Mandi were covered from 1st April 2007 in Phase-II. In the IIIrd Phase all the remaining 8 districts of the State have been covered under the scheme w.e.f. 1st April, 2008.

Besides, Drought Prone Area Programme / Desert Development Programme / Integrated Watershed Development Programme/ Integrated Watershed Management Programme (IWMP), Indira Awas Yojana, Nirmal Bharat Abhiyan, National Family Benefit Scheme etc. are the other centrally sponsored schemes being implemented in the State. Panchayati Raj Institutions at various levels are being involved in the planning and execution of poverty alleviation and employment generation programmes so that it is ensured that the benefits under these programmes percolate to the needy at the grass-root level.

IV RURAL DEVELOPMENT PROGRAMMES

The details of the development programmes being implemented in the State are as under:

1. COMMUNITY DEVELOPMENT PROGRAMME:-

The present set up of the schemes under Community Development Programme is based on old community development concept, which aims at the development of community with the initiative and participation of the community itself. The grant -in-aid is being provided to the Panchayat Samitis under the heads 'Social Education' and 'General Education' for developmental activities in the related fields. Funds are provided to the Blocks for the construction/ completion of staff residential buildings and Gram Sewak huts. Besides, the funds are also provided for completion of on-going office buildings. Provision of funds is made for providing salary of the employees posted at various levels. Grants are also provided for the promotion / strengthening of Mahila Mandals, incentives / awards to Mahila Mandals and organization of awareness camps for non-officials etc. During the year 2013-14, an amount of Rs.8573.61 lacs was spent on the above set of schemes up to 31st March, 2014.

2. NATIONAL RURAL LIVELIHOOD MISSION (NRLM):-

- In order to strengthen and provide greater financial support to the poor and poorest of the poor families and with the goal of Poverty alleviation through social mobilization, institutions and capacity building, financial inclusion, saturation approach, skill generation and a portfolio of sustainable livelihoods, the Government of India has restructured the SGSY into National Rural Livelihood Mission (NRLM) replacing the existing SGSY scheme w.e.f. April 1, 2013.
- The National Rural Livelihoods Mission's aim is to reach out to all poor families, mobilize them into Self-Help-Groups, link them to sustainable livelihoods opportunities and nurture them till they come out of poverty and enjoy a decent quality of life. This programme focuses on women empowerment hence, the rural poor HHs under NRLM are covered through their women members. These women are firstly organized into SHGs and thereafter into Village/ Block / District

federations in order to assist them in accordance with the guidelines of Govt. of India. To achieve this, NRLM puts in place a dedicated and sensitive support structure at various levels. These structures work towards unleashing the innate potential of the poor and complement it with capacities to deal with external environment, enable access to finance and other entitlements of the poor.

- In Himachal Pradesh Society known as the HP State Rural Livelihood Mission (HPSRLM) has already been registered and set up for the implementation of NRLM in addition to the above an independent office accommodation has also been hired for HPSRLM in HPMC building in Nigam Vihar Shimla-2 and the office has already been set up and started functioning in the new premises w.e.f. 21st April, 2014. The programme costs will be shared by the Center and State in the ratio of 75:25
- As per the mandate of the scheme in Himachal Pradesh, the State Rural Livelihood Mission would be covering all the Rural Poor and poorest of the poor who would be selected through the process of Participatory Identification of Poor, (PIP) by organizing them into SHGs and their Federated Institutions and linking them with Banks and for repeat Micro
- Financing. This list of poor/ poorest of the poor (POP) and vulnerable families identified through PIP would be approved by the Gram Sabha for being the target group of the NRLM.
- In Himachal Pradesh NRLM has been launched in w.e.f. 1st April, 2013. The Government of India expected that NRLM would reach out to all Districts and Blocks of the State by the end of 2020-2021 in the phased manner. Initially, as per the guidelines of the GOI, the strategy of Intensive and Non-intensive Blocks have been adopted. At present resource blocks strategy is being implemented in Development Block Haroli in District Una and development Block Basantpur District Shimla of the State besides this 3 Development Block viz. Kandaghat (Solan), Mandi Sadar (Mandi), Nurpur (Kangra), have been selected as "Intensive Blocks " in the first phase of NRLM implementation. The remaining 'Non- intensive Blocks' would be covered in a phased manner in the next Seven years.
- In the state, District of Shimla and Mandi have been selected in the category -I where additional interest subvention of 3% will be available to all women SHGs whereas, in remaining 10 Districts all the NRLM compliant SHGs irrespective of the agencies which have formed them will be eligible for the interest subvention 7%. The effective rate if interest for women SHGs in category 1 district will be 4% and in

II category districts it will be 7% but it would be applicable only to those WSHGs which are prompt in their repayment.

- The H.P. State Council of Ministers has approved the creation of 1732 posts of different categories (including supporting staff) for HPSRLM to implement the programme in the state. The HPSRLM is in the process of filling up of these posts.
- **Proposed number of Professionals to be recruited by RA over 3 Years:**

9. PREPARATION OF SHELF OF PROJECTS

The Gram Sabha recommends the permissible works to be taken up under the scheme and these works are compiled at the Gram Panchayat level and submitted to the Block Programme Officer (MGNREGA). The Block Development Officers have been designated as Block Programme Officers (MGNREGA). The Block Programme Officers (MGNREGA) consolidate the Gram Panchayat proposals and works recommended by the Panchayat Samiti into a Block Plan and after the approval of the Panchayat Samiti, forward it to the District Programme Coordinator (NREGA). The Deputy Commissioners have been designated as District Programme Coordinator (MGNREGA). The District Programme Coordinator (MGNREGA) consolidate the Block Plans and proposals from other implementing agencies and get these approved from the Zila Parishad. After the approval of the Zila Parishad, the administrative and financial approvals are accorded by the District Programme Coordinator (MGNREGA). Minimum 50 percent of the works in terms of cost are to be executed by the Gram Panchayats.

8. Nirmal Bharat Abhiyan (NBA) 2013-14:/Now Swachh Bharat Mission (Gramin)

The Government of India has renamed Total Sanitation Campaign as Nirmal Bharat Abhiyan during the year 2012-13 and also decided to continue this programme in the 12th Five Year Plan. The programme is being implemented by the department of Rural Development to ensure effective and sustainable sanitation in the rural areas of the State. Each District has its own TSC project duly sanctioned by the Govt. of India and the revised projects under the NBA have been prepared and submitted to the GoI. The State's strategy emphasizes on need for awareness generation, community participation, technological options, capacity building, local bodies responsibility for sustainable delivery of services with outcome based approach. A key component of this State Sanitation Strategy is various Reward Schemes which have been instituted to ensure wholesome involvement of the community in the sanitation campaign. The District wise physical and financial progress under the scheme during the year 2013-14 is as under:-

Component wise Expenditure During Financial Year 2013-14

Mahila Mandal Protsahan Yojana :

This scheme has been totally linked with the sanitation campaign and a sum of Rs. 131.04 lakh has been allocated during the year 2013-14 to provide incentives to those Mahila Mandals who have performed good work under the Sanitation sector in their village/ward and Gram Panchayat area as per scheme guidelines.

Nirmal Gram Puruskar:

To give a fillip to the Total Sanitation Campaign(TSC), Government of India launched the Nirmal Gram Puraskar (NGP) in October,2003 and gave away the first awards in 2005. NGP seeks to recognize the efforts made by PRIs and Institutions who have contributed significantly towards ensuring full sanitation coverage in their areas of operation. TSC(now NBA) lays strong emphasis on IEC,capacity building and hygiene education for effective behavior change with the involvement of PRIs,CBOs,NGOs etc. The main objectives of NGP are:

1. To promote safe sanitation and clean environment as a way of life in rural India.
2. To incentivize PRIs to make the village Open Defecation Free (ODF) and to adopt Solid & Liquid Waste Management.
3. To sustain the initiative of clean environment.
4. To encourage organizations to play a catalytic role in social mobilization in the implementation of Nirmal Bharat Abhiyan.

The detail of year wise winners of NGP from State of Himachal Pradesh is as under :

Year	Number of GPs won NGP	Prize money distributed
2007	22 GPs	Rs. 26.00 lakh
2008	245 GPs and 1 Block	Rs. 363.00 lakh
